THIS **AGREEMENT** CONTAINS THE EXCLUSIVE TERMS AND CONDITIONS UNDER WHICH TELESIS BIO, INC., A DELAWARE CORPORATION (TOGETHER WITH ITS AFFILIATES, "**TELESIS BIO**") WILL SELL CERTAIN PRODUCTS AND SERVICES TO YOU (TOGETHER WITH THE ENTITY FOR WHICH YOU REGISTER ON BEHALF OF "**YOU**" OR "**CUSTOMER**"), AND THEY WILL GOVERN ALL YOUR PRODUCT ORDERS, INSTRUMENT ORDERS, SERVICE REQUESTS, AND PURCHASES FROM TELESIS BIO.

IF YOU CANNOT OR DO NOT AGREE TO ALL THE TERMS AND CONDITIONS IN THIS AGREEMENT, YOU ARE PROHIBITED FROM ACCESSING, USING, AND FROM PURCHASING PRODUCTS FROM TELESIS BIO.

TELESIS BIO RESERVES THE RIGHT TO AMEND THIS AGREEMENT AT ANY TIME WITHOUT SPECIFIC NOTICE TO YOU. THE CHANGES WILL NOT BE RETROACTIVE, AND THE MOST CURRENT VERSION OF THE TERMS, WHICH WILL ALWAYS BE AT **TELESISBIO.COM**, WILL GOVERN OUR RELATIONSHIP WITH YOU DETERMINED BASED ON THE POSTED "LAST UPDATED" DATE. BY CONTINUING TO ACCESS OR USE THE PRODUCTS OR SERVICES AFTER THOSE REVISIONS BECOME EFFECTIVE, YOU AGREE TO BE BOUND BY THE REVISED TERMS.

### 1 ORDERING OF PRODUCTS AND SERVICES.

- 1.1 **Applicable Agreement Covering Customer's Orders.** Any products, Instruments (as defined in the Instrument Terms and Conditions Addendum), services, or other items ordered by Customer which are to be made available, manufactured, assembled or otherwise produced by, or on behalf of, Telesis Bio or its Affiliates ("**Products**") shall be subject to this Agreement (including any and all applicable Product and/or Service Addendum attached hereto). To the extent there is a conflict between the terms of the Telesis Bio General Terms and Conditions of Sale and any Product and/or Service Addendum, the Product and/or Services Addendum which is specifically applicable to the Product that Customer ordered shall prevail with respect to the conflict.
- 1.2 **Ordering and Price.** Customer shall purchase Products from Telesis Bio directly through Telesis Bio's web portal ("**Portal**") or by submitting order forms to Telesis Bio, specifying the Products requested, planned use of the Products, quantities, and requested delivery dates (the "**Order Forms**"). The price for Products shall be the amount set forth in the Telesis Bio written quotation to Customer. Customer acknowledges that Telesis Bio prices are subject to change from time to time and any written quotation provided by Telesis Bio shall expire no later than twenty (20) days after the same is provided to Customer. If Telesis Bio does not provide Customer with a written quotation (or the written quotation has expired), then the price shall be the list price stated on the Portal on the date Telesis Bio receives the order. The failure of Telesis Bio to object to any additional terms and conditions contained in any other document from Customer shall neither be construed as the acceptance of such terms and conditions by Telesis Bio, or a waiver of this Agreement. All orders are subject to acceptance by Telesis Bio and the availability of any requested Products.
- 1.3 **Customer Information; Login Credentials.** Prior to Customer placing an order as described in Section 1.2 and Telesis Bio accepting the same, Customer must register an account on the Portal. When registering, Customer agrees to provide Telesis Bio with accurate and complete customer account, billing and shipping information (the "**Customer Account Information**"). In addition, Customer will be required to create a user account, including a username and password and other login credentials (altogether, "**Login Credentials**"). Customer is solely responsible for maintaining the confidentiality of its Login Credentials, for updating its Customer Account Information and for all activities on the Portal (including purchases) that occur through the use of such Login Credentials. Customer shall promptly (and in any event within twenty-four (24) hours) notify Telesis Bio in the event it reasonably believes or suspects that its Login Credentials have been compromised.

- 1.4 **Fees and Payment.** Customer may pay for any Products when placing an order through the Portal. Otherwise, Telesis Bio shall invoice Customer for each Product at the time of shipment thereof. Customer shall pay the fees as specified in each such invoice by the date specified in such invoice and all payments shall be paid in United States Dollars. If no date is specified in an invoice, then Customer shall pay all invoiced fees within thirty (30) days of the receipt of such invoice. Any late payments shall be subject to a service charge equal to 1.5% of the amount due (calculated on a monthly basis) or the maximum amount allowed by law, whichever is less. If Customer is late in making a payment of any invoiced fees, without affecting our other rights, Telesis Bio may suspend delivery or cancel the order or Agreement and reject your future orders. If Telesis Bio, in its sole discretion, finds it necessary to employ an attorney or collection agency to collect any past due sum owed hereunder, it may collect, in addition to any other sum owed hereunder, all applicable attorney's or collection agency's fees and costs.
- 1.5 **Taxes.** Except as specified in a price quote, fees do not include any local, state, federal or foreign taxes, levies or duties of any nature ("**Taxes**"). Customer is responsible for paying all Taxes, excluding only taxes based on the net U.S. income of Telesis Bio. If Telesis Bio has the legal obligation to pay or collect Taxes for which Customer is responsible under this Section 1.5, the appropriate amount shall be invoiced to and paid by Customer, unless Customer provides Telesis Bio with a valid tax exemption certificate authorized by the appropriate taxing authority. Customer agrees and accepts full responsibility and liability for any penalties, interest or other tax liability arising from any failure by Customer to pay any applicable Taxes.

## 2 CUSTOMER RESPONSIBILITIES.

- 2.1 Customer acknowledges and agrees that Customer is solely responsible for: (i) ensuring that the Products are suitable for Customer's particular use; (ii) testing and using the Products hereunder in accordance with the practices of a technically qualified individual and in strict compliance with the documentation therefor; (iii) not misusing the Products (iv) researching and warning Customer's clients, employees and any auxiliary personnel of any risks or hazards involved in using or handling the Products; (v) ensuring Customer's use of the Products complies with all applicable laws, regulations and governmental policies, now and hereinafter enacted, and (vi) obtaining all necessary approvals, intellectual property rights, licenses and permissions necessary for any particular use or application. Without limiting the foregoing, Customer assumes responsibility for ensuring that the Products are approved for use under the Toxic Substances Control Act, if applicable. Customer acknowledges that Telesis Bio provides Material Safety Data Sheets ("MSDS") for certain of its Products, and that they are available upon request.

## 3 DELIVERY.

- 3.1 After acceptance of an Order Form, including through the Portal, Telesis Bio shall use commercially reasonable efforts to deliver the Product to Customer. Telesis Bio reserves the right to make changes to the specifications for any ordered Products that do not materially affect the quality or performance of the Products. Customer shall pay all delivery and shipment costs incurred by Telesis Bio hereunder. Telesis Bio shall select the method of shipment of, and the carrier for the Products. Customer acknowledges that any delivery and/or shipment cost set forth on any price quote is an estimate only. Telesis Bio may, in its sole discretion, without liability or penalty, make partial shipments of an accepted order to Customer. Each shipment will constitute a separate sale and Customer shall pay for the units shipped whether such shipment is in whole or partial fulfillment of an accepted order. Telesis Bio is not liable for or in respect of any loss or damage arising from any delay in filling any accepted order, failure to deliver or delay in delivery. No delay in the shipment or delivery of any Products relieves Customer of its obligations under this Agreement, including without limitation accepting delivery of any remaining installment(s) of Products or Instruments. Except as otherwise set forth in an applicable Product and/or Service Addendum, title and risk of loss for any Products shall pass to Customer upon shipment (FOB Shipping Point for US deliveries and CPT for international deliveries). If Customer requests that Telesis Bio hold and/or store any Products ordered by Customer which are ready for shipment, Customer shall reimburse Telesis Bio for all costs associated with the same. Special packaging requirements, if agreed to in writing by Telesis Bio, shall be at Customer's expense. Customer will be responsible for inspecting all Products shipped hereunder, and Customer will give Telesis Bio written notice of non-conforming or damaged Products within ten (10) days following receipt. If Customer

fails to notify Telesis Bio of non-conformance within such 10-day period, the Product will be deemed accepted by the Customer. However, such acceptance will not be considered a waiver under the warranty provided in this Agreement.

#### **4 OWNERSHIP; NO REVERSE ENGINEERING.**

- 4.1 **Ownership.** Customer acknowledges that, as between Customer and Telesis Bio, all intellectual property rights relating to the platform, Products, and all materials, articles, technologies, works of authorship, software (embedded in the Products or otherwise), specifications, designs, plans, processes, know-how, data and other results, work products and/or information and any intellectual property rights associated therewith that are used by Telesis Bio to manufacture, assemble or otherwise produce or manufacture the Products (collectively, the “**Tools**”) are solely and exclusively owned by Telesis Bio. To the extent Customer nonetheless obtains rights in and/or to any such Tools or any improvements thereto (including by way of providing any Feedback (as defined in Section 4.2)), Customer asserts no right, title and interest in and to the Tools and will assist Telesis Bio, at the request and expense of Telesis Bio, in securing and recording Telesis Bio intellectual property rights in such Tools.
- 4.2 **Research Use Limited License.** All products are for RESEARCH USE ONLY, AND NOT FOR HUMAN, ANIMAL, THERAPEUTIC OR DIAGNOSTIC USE. Telesis Bio Products are not sold (and have not been approved) for use in any clinical, diagnostic, or therapeutic applications. Obtaining any license(s) or other approvals necessary to use Telesis Bio Products in proprietary applications or in any non-research (e.g., clinical) applications is the Customer's exclusive responsibility. Related to the Vmax Cell Products, Customer may not use the Vmax Cell Product to support the filing of a patent application in any country in the world that contains claims directed to the Vmax Cell Products or their uses.
- The sale of Products by Telesis Bio to Customer only grants Customer a limited, non-transferable right under such intellectual property for Customer to use the quantity of Products that Customer has bought from Telesis Bio only for Customer's research purposes. No right to resell the Products or any of their components is conveyed expressly, by implication or by estoppel. Unless Telesis Bio expressly states otherwise in a Product and/or Service Addendum, Telesis Bio provides no rights to use its Products in commercial applications of any kind including, without limitation, manufacturing, quality control or commercial services such as reporting the results of Customer's activities for a fee or other form of consideration. To the extent that Customer's use of the Products is outside the scope of this Agreement, it is solely Customer's responsibility to acquire additional intellectual property rights related to such use. Nothing in the Agreement limits the ability of Telesis Bio to enforce its intellectual property rights.
- 4.3 **Feedback.** Customer acknowledges that Telesis Bio may from time to time solicit from Customer feedback or comments regarding the Products, including the results of any testing or benchmarking thereof (“**Feedback**”). If Customer elects to provide any Feedback to Telesis Bio (whether solicited or unsolicited) all of Customer's Feedback shall be the sole and exclusive property of Telesis Bio and Telesis Bio shall have the right to use and disclose such Feedback in any manner and for any purpose in the discretion of Telesis Bio without remuneration, compensation or attribution to Customer. Telesis Bio is under no obligation to use such Feedback.
- 4.4 **No Reverse Engineering and Restrictions.** Notwithstanding anything to the contrary herein, Customer shall not (i) reverse engineer or attempt to reverse engineer or encourage any third party to reverse engineer or attempt to reverse engineer, any of the Tools or Products, (ii) market, sell, distribute, sublicense, use, modify, translate, reproduce, create derivative works from, dispose of, rent, lease, or authorize or permit access or use of any portion of the Tools (including the Platform) or Products, except as expressly permitted in this Agreement; (iii) export or use the Tools or Products in violation of U.S. law, including Department of Commerce export administration regulations; (iv) remove any copyright and other proprietary notices contained in the Tools or Products; (v) use the Tools or Products to cause annoyance, inconvenience or needless anxiety whether to Telesis Bio, any other Portal user or any other person by any means, including using the Portal for persistently sending requests for information without a corresponding level of transaction, generating unacceptable levels of data import or failing to monitor and respond to communications; (vi) use the Tools other than in accordance with the acceptable use policies of any connected networks, or in a manner, whether knowingly, which would impair the operation of the Portal; or (v) otherwise access and use the Tools or Products in any manner that is inconsistent with this Agreement.

4.5 **Product Use and Restrictions for Sars-CoV-2 Genome Services.** Customer may request that Telesis Bio perform a project pursuant to which Telesis Bio shall construct and/or modify a Sars-CoV-2 genome, including genome variants or custom RNA controls (collectively, the **"Sars-CoV-2 genome Services"**). Before commencing any such project, Customer shall complete a biosecurity screening form describing Customer's planned use of the services product and any potential collaborators on its project. After performing biosecurity screening of customer's proposed project per International Gene Synthesis Consortium (IGSC) requirements, Telesis Bio will prepare a written quotation or statement of work (a **"Quotation"**) describing the Sars-CoV-2 genome Services to be performed by Telesis Bio, the fees, and the projected timeline. Customer must adhere strictly to the intended uses described by Customer on the biosecurity screening form that Customer submitted. Customer shall provide any information and/or materials identified in a Quotation or otherwise reasonably required in order for Telesis Bio to perform the Sars-CoV-2 Genome Services, including, without limitation, any data, designs, programs, specifications, management decisions, approvals, access to systems, feedback, biological materials and chemical materials (collectively **"Customer Materials"**). Telesis Bio shall use Customer Materials solely to perform the Sars-CoV-2 Genome Services. Without prior authorization of Telesis Bio, Customer may not make modifications to the Sars-CoV-2 genome services product or RNA controls received and may not use such products for applications that have not been reviewed by Telesis Bio. Customer retains all rights, title and interest in and to the Customer Materials, except Telesis Bio has the limited right to use the Customer Materials solely for the purpose of performing Sars-CoV-2 Genome Services under this Agreement. Telesis Bio shall not transfer or distribute any of the Customer Materials to any third party except as otherwise expressly authorized in writing by Customer or permitted under the Terms and any Quotation. Unless otherwise expressly stated in a written agreement between the parties, any use rights for the Sars-CoV-2 Genome Service product conveyed to Customer are non-exclusive. Telesis Bio shall retain the right to use the Sars-CoV-2 Genome Service product and commercialize the same or similar product for itself or for other parties, commercialize the same or similar product in its catalogue or as a service, or utilize any information generated by itself or other parties for promotional purposes.

If, through no fault or delay of Customer, the Products do not materially conform to the foregoing warranty and Customer provides Telesis Bio with written notice within thirty (30) days of delivery from Telesis Bio to Customer of the Products, as applicable, Customer's sole and exclusive remedy shall be for Telesis Bio at its sole discretion to replace and re-deliver the Products. If Customer fails to notify Telesis Bio of non-conformance within such thirty (30) day period, the Products shall be deemed accepted by the Customer. Telesis Bio shall have no liability or obligation to Customer if (x) Customer is unable to generate a DNA synthesis through use of a Product, or (y) Customer inputs a genomic sequence into a Product but is unable to achieve the correct size DNA as determined by gel electrophoresis, except in each case if the foregoing is a direct result of a Product failing to meet the specifications set forth in the applicable documentation provided by Telesis Bio.
- 8.3 **Disclaimer of Warranties.** ALL PRODUCTS AND SERVICES ARE PROVIDED “AS IS” AND “AS AVAILABLE” AND TELESIS BIO (FOR ITSELF, ITS LICENSORS AND SUPPLIERS) HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OR AS TO THE ACCURACY OF ANY RESULTS. ANY WARRANTY GRANTED HEREUNDER IS VALID ONLY WHEN USED BY PROPERLY TRAINED INDIVIDUALS AND EXTENDS ONLY TO CUSTOMER AND CUSTOMER CANNOT TRANSFER SUCH WARRANTY. ANY FAILURE BY TELESIS BIO TO MEET ANY INTENDED RESULTS SHALL NOT IN AND OF ITSELF BE DEEMED A BREACH OF THIS AGREEMENT OR CAUSE FOR NON-PAYMENT.
- 8.4 **Limited Warranty for Reagents.** If any Product or Service is a reagent, then this Section 8.4 applies. Reagents provided pursuant to an accepted order are warranted to be consistent with the reagent requested by Customer pursuant to such order (the “**Reagent**”), up to the date of expiration of such Reagent (which can be found at the Telesis Bio website at [telesisbio.com](https://telesisbio.com)) following the applicable date of shipment. The warranty provided herein is valid only when used by properly trained individuals and does not extend to anyone other than Customer. ANY WARRANTY GRANTED HEREUNDER EXTENDS ONLY TO CUSTOMER, THE ORIGINAL PURCHASER, AND CUSTOMER CANNOT TRANSFER SUCH WARRANTY.
- 8.5 **Limited Warranty for Samples.** If Customer request a Product sample (“**Sample**”), Telesis Bio is only making the Sample available to you on the condition that you agree that by ordering, accepting and/or subsequently using the Sample, you are hereby bound by the provisions Agreement. THE SAMPLE IS PROVIDED “AS IS”, WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT. CUSTOMER ASSUMES THE ENTIRE RISK ARISING OUT OF THE USE OR PERFORMANCE OF THE SAMPLE, OR ANY SYSTEMS CUSTOMER DESIGNS USING THE SAMPLE (IF ANY). NOTHING HEREIN MAY BE CONSTRUED AS A WARRANTY OR REPRESENTATION BY TELESIS BIO OR ITS AUTHORIZED DISTRIBUTORS THAT THE SAMPLE OR ANY SYSTEM DEVELOPED WITH OR INCORPORATING THE SAMPLE WILL BE FREE FROM INFRINGEMENT OF THE INTELLECTUAL PROPERTY RIGHTS OF THIRD PARTIES. IN NO EVENT WILL TELESIS BIO OR ITS AUTHORIZED DISTRIBUTORS BE LIABLE, WHETHER IN CONTRACT, TORT, OR OTHERWISE, FOR ANY INCIDENTAL, SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR ANY LOSS OF USE, LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, OR LOST PROFITS, SAVINGS, OR REVENUES TO THE FULL EXTENT SUCH MAY BE DISCLAIMED BY LAW.

This indemnity does not apply to claims that arose based on (i) any products that Telesis Bio made, assembled or produced in reliance upon Customer's instructions, specifications, or other directions, (ii) Customer's resale of Products, or (iii) modifications to the Products, or combinations of the Products with other items, by Customer or any third party in a manner not authorized by Telesis Bio. This indemnity does not apply to products originating from third parties. THIS INDEMNITY IS THE ONLY LIABILITY OF TELESIS BIO TO CUSTOMER, AND CUSTOMER'S SOLE AND EXCLUSIVE REMEDY, FOR ANY INFRINGEMENT OR CLAIMED INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS BY OR IN CONNECTION WITH ANY PRODUCT. If Telesis Bio believes a Product may be subject to a claim for intellectual property infringement, then Customer will first allow Telesis Bio, at the option and expense of Telesis Bio, to either: (a) secure for Customer the right to continue using the Product; (b) substitute the Product with another suitable Product with similar functionality; or (c) require Customer to return the Product to us for a refund of the purchase price paid, provided that in the case of Instruments, Telesis Bio will deduct a reasonable amount for the Instrument's use and damage. The remedies set forth in this Section 8.6 are Customer's sole and exclusive remedies with respect to IP Claims.
- 8.7 **Customer Indemnification.** Customer shall indemnify, defend and hold harmless Telesis Bio and its affiliates, and its and their directors, officers, employees and agents (collectively, with Telesis Bio, "**Telesis Bio Indemnitees**"), from and against any and all losses, damages, liabilities, reasonable attorney fees, court costs, and expenses (collectively "**Telesis Bio Losses**") arising from any actions, proceedings, investigations or litigation arising from any third party claims, actions, proceedings, investigations or litigation to the extent arising from or in connection with the following by any Customer Indemnitee: (a) breach or violation of the terms or obligations of this Agreement or any Quotation; (b) gross negligence or willful intentional misconduct; (c) Customer's use of a Product; and (d) the actual or alleged infringement, misappropriation or violation of a third party's intellectual property arising from Telesis Bio's use of the any materials or information provided by Customer.
- 8.8 **Customer Responsibility.** Customer shall be fully responsible and liable for any claims, liabilities, damages, losses, costs, expenses (including but not limited to settlements, judgments, court costs, and reasonable attorney's fees), fines and penalties to the extent arising out of or resulting from: (i) Customer's use of the Products; (ii) Customer's failure to secure any governmental import or export permit or authorization for the receipt of any Products; (iii) Customer's failure to comply with any applicable laws, statutes, and regulations; (iv) Customer's gross negligence or willful misconduct; or (v) Customer's material breach of this Agreement.
- 8.9 **Indemnification Procedure.** As a condition to the indemnity obligations set forth in this Sections 8, the party seeking indemnification ("Indemnitee") must (i) notify the indemnifying party in writing, as soon as the Indemnitee becomes aware of any claim; (ii) not admit any liability or take any other action in connection with the claim that could affect the defense or settlement; (iii) allow the indemnifying party to solely control the defense or settlement of the claim; and (iv) provide reasonable information, co-operation and assistance to the indemnifying party. The indemnifying party may not settle or consent to the entry of a judgment of a claim without the Indemnitee's prior written consent, which consent shall not be unreasonably withheld or delayed.

THE TOTAL CUMULATIVE LIABILITY OF TELESIS BIO IN CONNECTION WITH THIS AGREEMENT, INCLUDING WITHOUT LIMITATION WITH RESPECT TO ANY PRODUCTS SOLD AND/OR ANY SERVICES RENDERED HEREUNDER, THE LIABILITY OF TELESIS BIO UNDER ITS INDEMNIFICATION OBLIGATIONS, OR A BREACH BY TELESIS BIO HEREOF OR FAILURE TO PERFORM IN CONTRACT, TORT, WARRANTY, OR OTHERWISE, WILL NOT EXCEED THE AMOUNT OF FEES CUSTOMER ACTUALLY PAID TO TELESIS BIO FOR THE SPECIFIC PRODUCT OR SERVICE THAT GAVE RISE TO THE APPLICABLE CLAIM(S). THE CUSTOMER ACKNOWLEDGES THAT THESE LIMITATIONS OF LIABILITY REFLECT THE ALLOCATION OF RISK SET FORTH IN THIS AGREEMENT AND THAT TELESIS BIO WOULD NOT ENTER INTO THIS AGREEMENT WITHOUT THESE LIMITATIONS ON ITS LIABILITY. DELIVERY DATES AND TIMES ARE ESTIMATES ONLY AND TELESIS BIO WILL NOT BE LIABLE (IN CONTRACT, DELICT, TORT OR OTHERWISE) FOR ANY LOSSES, EXPENSES, CLAIMS OR DAMAGES CAUSED BY A LATE DELIVERY.

## 10 INDEPENDENT CONTRACTOR.

- 10.1 **Term.** The term of this Agreement is effective upon the earlier to occur of the date you place your first Order Form, your first use of any Product, or upon your receipt of any Services from Telesis Bio, and will continue unless or until earlier terminated in accordance with the terms set forth herein.
- 10.2 **Termination for Cause.** Except as otherwise provided in this Agreement, in the event that Customer breaches any of the terms, obligations, conditions or undertakings of this Agreement and fails to cure such breach within sixty (60) days (or ten (10) days for non-payment) after receiving written notice of such breach, Telesis Bio, at its option, may by written notice to Customer, terminate this Agreement. Such termination shall be effective upon Customer's receipt of the termination notice in accordance with Section 5 (Notices) of this Agreement.
- 10.3 **Termination for Insolvency.** Telesis Bio may terminate this Agreement immediately by providing written notice to Customer if Customer becomes insolvent, if a petition in voluntary or involuntary bankruptcy is filed by or against the other party under any chapter of the United States bankruptcy laws and not bonded or discharged within thirty (60) days of the date a receiver or trustee is appointed, or if Customer makes an assignment for the benefit of creditors.
- 10.4 **Obligations upon Termination or Expiration.** The termination of this Agreement will not relieve either party from any obligation that accrues pursuant to this Agreement before the effective date of the termination nor will it release the parties from any obligation that may have been incurred as a result of operations conducted under this Agreement.

## 11 GENERAL PROVISIONS.

- 11.1 **Entire Agreement; Independent Contractor; Headings.** This Agreement together with the applicable Addendum, constitute the entire agreement and understanding between the parties relating to the subject matter of this Agreement. Telesis Bio objects to and rejects any additional or different terms proposed by you, including those contained in your purchase order, acceptance or website. For the avoidance of doubt, the failure of Telesis Bio to separately object to any additional terms proposed by you shall neither be construed as the acceptance of such terms by Telesis Bio, or a waiver of this Agreement. The relationship between Telesis Bio and Customer pursuant to this Agreement shall be that of an independent contractor. The Article and Section headings used in this Agreement are for reference and convenience only and shall not enter into the interpretation hereof.
- 11.2 **Invalidity/Waiver.** If any provision of this Agreement is, for any reason, held to be invalid or unenforceable, the other provisions of this Agreement shall be unimpaired, and the invalid or unenforceable provision shall be deemed modified so that it is valid and enforceable to the maximum extent permitted by law. A waiver of any breach under this Agreement should not constitute a waiver of any other breach or future breach. Either party's failure to enforce, or waiver of a breach of, any provision contained herein shall not constitute a waiver of any other breach or of such provision.
- 11.3 **Assignment.** This Agreement may not be assigned by Customer to a third party whether by operation of law or otherwise. Telesis Bio shall have the right to assign this Agreement to one or more affiliates or related entities.
